JUDGMENT (Per Sri B.Prakash Rao, J)

Heard both sides and at their request, the main appeal itself is taken up for disposal.

The writ petitioner is the appellant herein. He filed this appeal against the observation that the appellant was not entitled to continue as a principal of the college during the course of enquiry.

Having considered the submissions made and on perusal of record, it is seen that the learned single Judge having accepted the various contentions raised by either side, allowed the writ petition on merits and directed fresh enquiry to be conducted by prescribing two months time. Further in view of the allegations made against the appellant, it was felt that he shall not be allowed to continue as principal. In the circumstances, we do not find any justification to interfere with the order of the learned single Judge.

Accordingly, the writ appeal is dismissed. No costs.
